RJHS Staff and Students  
RE: Subway Student of the Week

Students and staff, we would like to thank you for making RJHS such a great place to work and learn. With the generous support from Gary and Dawn Hamon (owners of Subway in Raymond), we would like to introduce a new program to reward students for the good things they do around our school and community. Each week teachers will watch for students demonstrating positive qualities and actions in and around the school. Such actions could be helping another student, cleaning up around the building, consistently bringing and wearing a mask in school, assisting teachers, demonstrating sportsmanship in P.E. or on school teams, etc. Teachers will report students that they see each week doing good things in our building to one of the school administrators. The names of those students will go into a draw for a chance to win a \$10 dollar Subway gift card and be recognized as our Subway student of the week.

We hope this program will continue to promote the efforts of our students to look for opportunities to be a little kinder, help a little more and add to the goodness we see in our building. Thank you for being who you are. It will be fun to reward those students who go the extra mile. A special thank you to our local Subway store for generously supporting this program.

Thanks again,

RJHS Administration
